

University of Michigan  
Aphasia Program

## UMAP proudly offers... LANGUAGE ENRICHMENT GROUP (LEG)!

Wednesdays, 1:00-2:30 p.m.  
Held in Ann Arbor at UMAP | Free Valet Parking

*LEG is a low-cost, high-quality group speech therapy program focusing on communication*

### STRUCTURE

**1:00-2:00 p.m.** – Facilitated by a certified Speech-Language Pathologist (SLP), this portion of the group focuses on interest-driven activities:

- Practicing gestures, drawing, writing, or using communication books for functional communication
- Role-playing life situations
- Reviewing and discussing movies, plays, or books
- Quarterly community outings

**2:00-2:30 p.m.** – Facilitated by an SLP Assistant, an SLP Intern, or a volunteer, clients engage in language-related games to:

- Practice communication strategies
- Enhance understanding of directions
- Improve verbal expression
- Facilitate social interactions

### PURPOSE

- To practice communication in a supportive environment
- To connect with others with aphasia
- To emphasize functional communication for those of all communication abilities
- To increase confidence for community participation

### COST

- Try out LEG and your first visit to the group is on us!
- 6 sessions for \$120
- Drop-in attendance for \$22 per session
- Scholarship money available for those with demonstrated financial need
